"BULL MOOSE NOT DEAD"—MURDOCK

Say Progressives Undoubtedly Will Run Third Ticket Despite T. R.'s Action.

Chicago, June 10.—The future of the Progressive party may not be of great concern to the Republican leaders as the result of today's developments here, but to some of the men who fought the battle for Mr. Roosevelt four years ago, and to many of the delegates here to nominate him again, it is apparently of great interest. These men disheartened and discouraged at what has happened, accepted the Colonel's statement declining the nomination for the time being almost in the light of an adjustment of faith of the man they almost worshipped.

To many, the reading of the Roosevelt statement in the convention seemed to mark the final obsequies of the party. It is the belief that the majority of the Eastern Progressives will follow the Colonel and swing to Hughes, at it may be different in the West and South, where more radicalism prevails.

Pinchot May Run.
A ticket of Pinchot and Parker, or Murdock and Parker may result should the Colonel make his declination final, as now seems likely.

A meeting of the new national committee was held immediately after the adjournment of the convention. It lasted four hours. The situation was threatened over. Governor Hiram Johnson refused to head the ticket and it seems to lie between Amos Pinchot and Victor Murdock.

Murdock Re-elected.
At the meeting of the committee, Victor Murdock was re-elected as chairman, Matthew Hale, of Massachusetts, as vice president, O. K. Davis, his secretary, and E. A. Hooker, of New York, as treasurer.

When the meeting broke up it was announced that it had been unanimously decided to hold another meeting of the committee in Chicago on Monday, June 13. Mr. Murdock stated that he would be glad to see Mr. Roosevelt refuse to run the committee would undoubtedly exercise its power and fill the vacancy on the ticket. He insisted they had no intention of giving up their party, and having a standard bearer of their own.

The following were elected members of the executive committee: George W. Perkins, of New York; William Flinn, of Pennsylvania; Matthew Hale, of Massachusetts; Harold L. Ickes, of Illinois; William Allen White, of Kansas; Pearl Wright, of Louisiana; Chester H. Rowell, of California; Everett Colby, of New Jersey, and G. D. Pope, of Michigan.

One of the results of the meeting of the national committee this afternoon was the agreement that all members of the body confer with Col. Roosevelt at Oyster Bay as soon as convenient to the Colonel. If the Colonel's declination is final, the national committee will then reassemble within a short time and proceed to substitute a nominee for President.

Too Tall to Hang Self.
New Brunswick, N. J., June 10.—Finding that he was too tall to hang himself from the transom while standing erect, Theodore Stokes, 58 years old, of this place, doubled up his knees and hanged himself in Villet's Hotel in Spotswood. He was despondent over financial reverses.

Five Autos in Collision.
New Brunswick, N. J., June 10.—No one was injured when five automobiles were in collision a mile from this city on the Metuchen Turnpike. A milk truck started the wrecking by turning over, and the others coming from both directions plunged into the wreck before they could be warned.

The \$7,000,000 declared to be lost annually in the garbage of 199 American cities is not in articles dropped into the waste, but in the waste itself, which is estimated to be worth that fortune if properly reduced and put to the uses science has discovered for it.

ITALIAN TRANSPORT IS SUNK BY SUBMARINES

Rome, June 10.—An Italian transport, with 1,000 troops on board, has been sunk in the Adriatic Sea by an Austrian submarine.

The transport was the Principe Umberto. The loss of life was very heavy. The admiral announced the destruction of the transport in the following official statement: "The Principe Umberto while conveying troops and war materials and while escorted by destroyers was attacked in the lower Adriatic by two Austrian submarines. She was struck by a torpedo and sank in a few minutes."

Brig-Gen. Sanborn Dead.
Chichester, N. H., June 10.—Grig. Gen. True B. Sanborn, dean of the last New Hampshire legislature and one of the oldest military men in the State, is dead at his home here today. He was born here, July 30, 1837, and enlisted for the civil war in 1861.

have taken Bucacz and an army of prisoners. This much is officially known. A Central News dispatch from Geneva announces that the Russians, near Bucacz, have forced a passage of the Dniester. A dispatch adds that in an effort to check the Russians, 45,000 Austrians have been withdrawn from the Italian front; that the evacuation of Czernowitz has been ordered and that there is a feeling of panic in Vienna, which is crowded with fleeing Galicians.

On the roundup of captured Austrians yesterday's toll is officially put at ninety-seven officers and 8,500 men, making a total up to date of 1,346 officers and more than 70,000 men. The figures of captured munitions are proportionately large.

The capture of Dubno means the re-passing into Russian hands of the famous Volhynian triangle of forts. Lutsk fell on Thursday.

Newport, R. I., June 10.—The battleship Nevada, under command of Capt. William S. Sims, has returned from oil tests at sea. During her trials she made two tests of twenty-four knots which proved satisfactory on the amount of oil consumption.
